

HAPPY
THANKSGIVING

Merry
Christmas

From Walk-About-Ministry

All men are like grass, and all their glory is like the flowers of the field; the grass withers and the flowers fall, but the word of the lord stands forever. (1 Peter 1:24-25)

We are having our **Annual Yard Sale** on November 4th so we are sending you an early newsletter this year wishing you a wonderful **THANKSGIVING, A MERRY CHRISTMAS AND A VERY HAPPY NEW YEAR!** We decided it would be less expensive for the ministry to send it early and advertise our yard sale at the same time!

Greetings to you! Are you reading His word? How secure is your foundation? We will wither and fall one day but, if our hearts are filled with the Lord and His word; then we will stand tall on the inside forever. This world now very chaotic and dangerous! Who do you trust in? What are you leaning on? The word of God in the book of Proverbs 3:5-6 says; **“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him and he will make your paths straight.”** Let us press into the Lord and lean hard on Him and not your own understanding!

The Lord is bringing different changes in our leadership. He is stretching us by allowing challenges to come forth. The Lord is never surprised and has all the answers to our challenges! We just need to remember that and keep our eyes on HIM! Our little church is staying in tune with the Lord as best as we can. God has been showing up; we are thankful for that; praise His name! The clothing ministry is doing much better since we now have more clothing. Thank you to those who responded to our call for clothes. The food ministry is doing well! We are blessed to feed approximately 40 to 60 clients weekly between families and those who are homeless. We are able to do this because of supporters like you and other churches who help us meet the needs in our community. We are most grateful for your service to this cause!

The men’s program is staying full with men waiting to come in. This season has been a challenge due to having so many young men in their twenties all at once. They are so special but, they keep you on your toes. Do you remember when you were in your twenties? That is enough said...LOL No; honestly what a tremendous blessing it is for young men to find Jesus early in their life and to be radically changed forever! What an awesome opportunity we have to pour God’s love into their life. It truly is an honor!

We are excited to share a few good stories from a few good people! Sometimes it’s good to hear stories about different life struggles with wonderful victories and answered prayer. Behind these hero stories, the Lord is working so intimately with each of these saints. We are all beautiful cut diamonds from Satan’s junk pile! We don’t realize how much the Lord loves us and how much potential He has placed in each one of us..... We are Him here! **Christ in us the hope of Glory! (Colossians 1:27)**

We have had several tragedies with hurricanes, earthquakes and shootings.....**I heard a prophetic word by Chuck Pierce back in June that said; “we will have many chaotic evil situations and struggles within the white house for 10 months and it would lighten up around February of 2018 followed by 3 years of success and progress for our country”.....** I don’t know how true this all is but; I know that the bible does tell us in the last days there will be many wars, and rumors of wars but, not to let it rule our lives nor be alarmed by it! **“You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places. All these are the beginning of birth pains.” Matthew 24:6-8**

Remember to let your light shine! Enjoy these great testimonies on the next two pages!

My name is Dorothy and I have been coming to Church at Walk- About- Ministry for the last 2 years now. I am a recovered alcoholic since 2003 and as an adult I never attended church before. Coming here to Walk- About Ministry has been a blessing in my life. Since I have been going to church the Lord is helping me to find out who I am. He has been showing me areas where I have not forgiven others in my life and areas of hurts from my past. I am truly finding out how good the Lord is and how much he loves me. In these last two years The Lord has answered many of my prayers; it brings tears to my eyes when I think

about them. One answered prayer was my daughter had lost her baby girl 4 years ago which was my granddaughter and I have been praying these last two years specifically for her to have another baby. She is now 6 months pregnant with a little boy and everything appears healthy. Also another answered prayer the last 40 days of generosity that we celebrated in our community the Lord impressed upon me to make a decision to quit smoking and surrender it to The Lord. I have not smoked in a year, what a victory the Lord has done. I am looking forward for what the Lord has for me in the future because I now live for Him. In Christ Love, Dorothy

I have been attending Church here at Walk- About- Ministry since 2006. What I found in this church is the Love and acceptance that I so needed. I desire to share what the Lord has done for me over the past year. I have always struggled with being overweight all my life, food was an addiction for me. In February 2017 I felt impressed to do a prayer walk around the church property a few days a week. What started a few days a week of walking ended to be a life changing disciplined habit on a daily basis. I grew up here in Titusville; and many people know me, so I know deep within that if I lose weight it would be an awesome testimony of what the Lord can do in one's life. I know my life has changed in the areas of food and exercise. I have learned what works for me! A big part of this life style change has been thanking and praising the Lord. I am so grateful for the motivation He has given me. There are days I don't want to get up early to go for a walk, but once I am out there walking I find myself thanking the Lord and giving Him the praise. Keeping the Lord first in these areas is what keeps me motivated to keep going towards a healthier, thinner body for the Him and me. If I do this on my own I won't get very far; but when I take the Lord with me I achieve more than I thought possible. I look forward to meeting my weight goal! *I have lost 112 lbs. so far.* The power of discipline and God's grace is working a victory! The Lord and I will continue on this new journey together. Forever Grateful Cherie

Hello, my name is Carter. I've been addicted to drugs on and off for 38 years of my life. I am now 47 years old and I have right at 11 months sobriety, thanks to God and Walkabout Ministry for leading me to God. Since I've been at Walkabout; I have begun an intimate relationship with my Lord and Savior. My life is changing for the better. I now have Jesus; a full time job and lots of hope. My future that was at one time full of worry is now exciting to think about. I am so thankful for the staff and Pastors here at the ministry for helping me to find my Father God. Life is so good! I am so happy and it shows. All the Glory to God! Thank you and May God bless us all! *Forever thankful, Carter*

What awesome stories! We hope you enjoyed them. In closing this newsletter please know how special you are to us. You have blessed us over the years and we say; Thank you from the bottom our hearts! We hope you have a wonderful Thanksgiving and a very Merry Christmas and a blessed New Year! Our next newsletter will be sometime in January. We have a big overhead with 7 buildings to provide electric, water and etc. Please pray and ask the Lord what you are able to give to fight the cause of hunger and addiction in our community. May the Lord bless you!
